

APROC Meeting Notes
May 30, 2018

In Attendance: Anne McGrail, Tammy Salman, Tammie Stark, Jen Steele, Sharon Hagan, Dennis Gilbert

Announcements

IEC mission Fulfillment and Institutional Effectiveness Report

- Draft will be available early next week
- The report will include recommendations for improving institutional effectiveness systems and structures. APR will likely be mentioned as a structure that needs to be supported and built upon.

Debrief and Themes from External Peer Reviews

- Clearly articulating the value of programs of study to students and their parents
- Creating clear pathways for students who start with one area of interest and need to adjust or adapt toward another program
- Marketing support
- Opportunities for growth

Issues:

- CML logistics
- ASA leadership absence

Suggestions:

Meet with Paul Jarrell to provide a progress report and outcomes.
Tammie will schedule a meeting the week of July 2.

PRC Updates

- Anne has invited and encouraged PRC leads to do a poster session at fall in service. Coaches are encouraged to work with their coachees. Let Anne or Tammie know if you/they need support.
- Jen will be meeting with leads to do implementation planning over the next two weeks.

DAPR Update

We are moving forward with DAPR development with Barbara Barlow Powers, with a fall implementation timeline.

Summer Work and Leadership Transition

1. Vision for a leadership team, coaches, oversight committee
2. Meet early July and early September?
3. Anne is willing to continue into fall term, with additional support from Tammie, our new Administrative Coordinator and faculty leads.
