

AGENDA

APROC Meeting with VP Paul Jarrell Tuesday, July 03, 2018

1. Introductions (11:00-11:05)

2. Overview of APR at Lane Community College (11:05-11:15)

Process Overview: design, dynamics, and connection to the whole college system – Dennis
Brief History – Anne

3. Where we are today – Anne (11:15-11:25)

- # of programs (handout)
- APR at Lane as an adaptive process: balancing structure with flexibility to meet disciplines' different needs and cultures
- ASA connection: structured communication and feedback loops
- Leadership structure of APROC
- Sustainability:
 - Implementation and support after year one (self-study)
 - Moving from single high-stakes year to an understanding of APR as a continuous improvement process
 - Coaching
 - IR support
 - Evolution of Dean's role
 - Role of a technical writer to provide writing support for some programs

4. Where we're headed – Anne, Tammy Salman, Jen Steele (11:25-11:35)

- Alignment with college assessment efforts (Core Themes, CLOs)
- Integration with planning and resource allocation efforts: "Planning mentorship"

5. Next Steps (11:35-11:40)

- APROC process review September
- Annual ASA/APROC review – beginning of winter term

6. Paul/ASA role and involvement (11:40-11:50)

- Program review as the primary planning construct for programs and services at Lane.
- Implementation planning
- Highlighting and celebrating the work
- Ongoing communications and meetings
- How to prioritize and create organizational space for this work.

7. Questions (11:50-12:00)

12:00 Noon Close
