LANE COMMUNITY COLLEGE

EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

It is the policy of LANE COMMUNITY COLLEGE not to discriminate against any employee or applicant for employment because of his or her race, color, religion, sex, sexual orientation, gender identity, national origin, or because he or she is an individual with a disability or disabled veteran, Armed Forces service medal veteran, recently separated veteran, or active duty wartime or campaign badge veteran, or thereafter referred collectively as "protected veterans." It is also the policy of LANE COMMUNITY COLLEGE to take affirmative action to employ and to advance in employment, all persons regardless of their status as individuals with disabilities or protected veterans, and to base all employment decisions only on valid job requirements. This policy shall apply to all employment actions, including but not limited to recruitment, hiring, upgrading, promotion, transfer, demotion, layoff, recall, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship, at all levels of employment. Furthermore, the organization will provide qualified applicants and employees who request an accommodation due to a disability with reasonable accommodations, as required by law.

LANE COMMUNITY COLLEGE prohibits harassment of employees and applicants because they are individuals with disabilities or protected veterans. LANE COMMUNITY COLLEGE also prohibits retaliation against employees and applicants for filing a complaint, opposing any discriminatory act or practice, assisting or participating in any manner in a review, investigation, or hearing or otherwise seeking to obtain their legal rights under any Federal, State, or local EEO law requiring equal employment opportunity for individuals with disabilities and protected veterans. Prohibited retaliation includes, but is not limited to, harassment, intimidation, threats, coercion or other adverse actions that might dissuade someone from asserting their rights.

As President of LANE COMMUNITY COLLEGE, I am committed to the principles of affirmative action and equal employment opportunity. In order to ensure dissemination and implementation of equal employment opportunity and affirmative action throughout all levels of the organization, Shane Turner has been assigned Chief Human Resources Officer duties for LANE COMMUNITY COLLEGE. One of the Chief Human Resources Officer's duties will be to establish and maintain an internal audit and reporting system to allow for effective measurement of LANE COMMUNITY COLLEGE's programs.

In furtherance of LANE COMMUNITY COLLEGE's policy regarding affirmative action and equal employment opportunity, LANE COMMUNITY COLLEGE has developed a written Affirmative Action Program (AAP) which sets forth the policies, practices and procedures that LANE COMMUNITY COLLEGE is committed to in order to ensure that its policy of nondiscrimination and affirmative action for qualified individuals with disabilities and qualified protected veterans is accomplished. This AAP is available for inspection by any employee or applicant for employment upon request between During normal business hours at the Human Resources department. Any questions should be directed to me, your supervisor, or Shane Turner, Chief Human Resources Officer.

II. Review of Personnel Processes (41 CFR 60-300.44(b))

LANE COMMUNITY COLLEGE complies with the requirement to "periodically review" its personnel processes by reviewing these processes annually to determine whether its present procedures assure careful, thorough, and systematic consideration of the qualifications of known protected veterans. As part of this review, LANE COMMUNITY COLLEGE also ensures that its personnel processes do not stereotype protected veterans in a manner which limits their access to all jobs for which they are qualified. This review covers all procedures related to the filling of job vacancies either by hire or by promotion, as well as to all training opportunities offered or made available to employees.

The following is a set of procedures which may be used to meet the requirements of 41 CFR 60-300.44(b):

1. Applicant records are maintained which indicate whether an applicant self-identified as a protected veteran. This information can be retrieved for review by the Department of Labor and the contractor's personnel officials for use in investigations and internal compliance activities.
2. Records are maintained which indicate employees considered for competitive promotions within the organization. Employees are given the opportunity to voluntarily self-identify protected veteran status.
3. Records are maintained regarding training opportunities granted to employees which include whether the employee has self-identified as a protected veteran.
4. Any time a known protected veteran applicant or employee is rejected for employment, promotion, or training, the organization prepares a statement outlining the reason.
5. Requests for accommodation due to a disability are maintained along with the nature of the request and whether the accommodation was granted. If the accommodation was denied, the organization prepares a statement describing the reason for denying the accommodation request. All accommodation records are treated as a confidential medical record in accordance with 41 CFR 60-300.23(d).

III. Review of Physical and Mental Job Qualification Standards (41 CFR 60-300.44(c))

LANE COMMUNITY COLLEGE reviews the physical and mental job qualification standards of each job opening before it is publicly or internally posted to ensure that, to the extent that such qualification requirements tend to screen out qualified disabled veterans, they are related to the job(s) in question and consistent with business necessity and the safe performance of the job. The physical and mental qualifications are also reviewed as new jobs are established or job requirements are modified.

All job qualification requirements were found to be job related and consistent with business necessity and safety. LANE COMMUNITY COLLEGE will continue to review physical and mental job qualification requirements whenever a job vacancy will be filled through either hiring or promotion and will conduct a qualifications review whenever job duties change.

If LANE COMMUNITY COLLEGE at any time should inquire into an applicant's physical or mental condition or should conduct a medical examination, such inquiries or exams will be conducted in accordance with the VEVRAA regulations and the information obtained as a result of the inquiry or exam will be kept confidential, except as otherwise provided for in the VEVRAA regulations. The results of the examination or inquiry will only be used in accordance with the VEVRAA regulations.

IV. Reasonable Accommodation to Physical and Mental Limitations (41 CFR 60-300.44(d))

LANE COMMUNITY COLLEGE will continue its longstanding commitment to making reasonable accommodation to the known physical or mental limitations of qualified disabled veterans unless doing so would impose an undue hardship on the operation of its business. The organization also commits to engaging in an interactive process with the person requesting the accommodation (or the person's representative), as needed, to determine an appropriate accommodation.

If an employee who is known to be a qualified disabled veteran is having significant difficulty performing his or her job and it is reasonable to conclude that the performance problem may be related to the known disability, the manager or appropriate HR personnel will confidentially notify the employee of the performance problem and inquire whether the problem is related to the employee's disability. If the employee indicates that the performance problems are related to his or her disability, the employee is asked if reasonable accommodation is needed.

In determining the extent of the organization's accommodation obligations, the following factors are considered:

1. Business necessity; and
2. Financial cost and expense.

LANE COMMUNITY COLLEGE will also ensure that all requests for reasonable accommodation and any medical or disability-related information provided to LANE COMMUNITY COLLEGE will be treated as confidential medical records and maintained in a separate medical file.

V. Anti-Harassment Procedures (41 CFR 60-300.44(e))

Employees and applicants of LANE COMMUNITY COLLEGE will not be subject to harassment because of protected veteran status. Retaliation, including intimidation, threat, coercion, or discrimination, against an employee or applicant because they have objected to discrimination, engaged or may engage in filing a complaint, assisted in a review, investigation, or hearing or have otherwise sought to obtain their legal rights under any Federal, State, or local EEO law regarding protected veterans is prohibited. Any employee or applicant who believes that he or she has been subject to retaliation should promptly contact a manager in their chain of command, or promptly contact the Chief Human Resources Officer for assistance.

This policy is made available for employees and applicants to view. Furthermore, LANE COMMUNITY COLLEGE monitors its environment for the presence of any forms of harassment, intimidation, or coercion and, where warranted, takes corrective action.

VI. External Dissemination of Policy, Outreach, and Positive Recruitment (41 CFR 60-300.44(f))

LANE COMMUNITY COLLEGE undertakes appropriate outreach and positive recruitment efforts to effectively attract protected veterans. In order to comply with the external dissemination of the EEO and Affirmative Action policy, the organization provides written or electronic notification to all current subcontractors, vendors, and suppliers and will continue to do so on an annual basis. The organization will also provide such notification to new subcontractors, vendors, and suppliers upon entering into a relationship with them. LANE COMMUNITY COLLEGE has informed its recruiting sources, including State employment agencies and local employment service delivery systems, of the organization's policy concerning the employment of qualified protected veterans and will notify them of employment opportunities as they become available. LANE COMMUNITY COLLEGE requested all recruiting sources to actively recruit and refer qualified persons for job opportunities. LANE COMMUNITY COLLEGE will include the equal opportunity clause concerning the employment of qualified protected veterans in all non-exempt subcontracts and purchase orders.

VII. Internal Dissemination of Policy (41 CFR 60-300.44(g))

LANE COMMUNITY COLLEGE has developed internal procedures to communicate its obligation to engage in affirmative action efforts to employ and advance in employment qualified protected veterans. Procedures are designed to foster understanding, acceptance, and support among all employees and to encourage them to help LANE COMMUNITY COLLEGE meet this obligation.

The organization realizes that an outreach program is ineffective without the adequate internal support from management personnel and other employees. In order to ensure greater employee cooperation and participation in the organization's affirmative action efforts, Chief Human Resources Officer has adopted policies and engaged in activities which are not limited to the following:

5. Managers and supervisors are provided with affirmative action and EEO training upon commencement of their management roles;
6. Policy is discussed during employee orientation;
7. Union officials and/or employee representatives are informed of these policies; and
8. When employees are featured in publications, protected veterans are included when available.

VIII. Audit and Reporting Systems (41 CFR 60-300.44(h))

The Chief Human Resources Officer has the responsibility for the preparation and implementation of the AAP. Responsibility for the effective implementation of the AAP is also vested with each department manager and supervisor.

The following activities are reviewed at least annually to ensure freedom from discrimination against, or stereotyping of, protected veterans in any manner. During the self-audit, the following activities are reviewed:
