

Remaining questions from 2020 Fall In-Service Employee Town Hall, Sept. 24, 2020

Q: Will there be large welcome signs on campus that announce the college is closed--not just on buildings? I've seen them in parking areas, but not on campus. -Shannon Mootz

A: We have installed large signs at the main entrances of campus indicating that the campus is still closed to the public. In addition, we have additional signage on buildings indicating that they are closed. We have also added lawn style signs around the main access points indicating that masks are required on campus and that social distancing must be maintained.

Q: Just a quick logistical question: For those not registered for a class or assigned to work normally on campus Fall term, will we still need permission from our Director and Public Safety to go to our office or be on campus? - Colby Sheldon

A: We are still working to keep the number of people on campus minimal. You should only be working on campus if you cannot do it remotely. That should be determined with your Dean/Director. WIth that said, if you are going to be working on campus with a consistent schedule, you can submit that schedule to Public Safety through the following form.

However, if you will be coming to campus sporadically, you must still call Public Safety to let them know. This is to ensure your immediate safety in the event of an emergency as well as to assist Lane County Public Health in potential contact tracing needs.

Q:1) What is the 5 year strategic plan for the college?

- 2) What is the value proposition for LCC? Why will students continue to come here?
- 3) What do you want the college to look like in 5 years? Why?

4) What changes need to be made each year to arrive at the vision for year 5? -Bill Schuetz

A: You can view LCC's last 2016-2021Strategic Plan on the strategic plan website: <u>https://www.lanecc.edu/ie/strategic-plan</u>

Your questions about vision and direction for the college over the next 5 years are excellent examples of the types of questions we'll be asking the college community, industry partners, and residents of the LCC District in the months ahead. The renewal of the plan will focus on the ways in which the college serves students and community, and how we will prioritize our work and resources in the years ahead. Watch for information via email and the Lane Weekly about how you can provide input into the process.
