

# SNAP Training and Employment Program (STEP)

Are you receiving SNAP benefits?

Do you need help with Employment and Training?

If you answered yes to **both**, then STEP may be for you!

(If not, you still may be interested and potentially eligible for these services.)

---

## Services may include the following:

- ✓ **Financial Assistance** - such as work-related transportation, clothes, tools, interview clothing
- ✓ **Career Advancement** - such as exploring your skills and strengths, getting your GED, help keeping your current job, short-term training, job leads, supported work experience
- ✓ **Building Job Search Skills** - such as help with applications, resume writing, interview practice and networking
- ✓ **Home and Family** - such as community resources, childcare options, navigation services (for example, affordable housing and counseling), and budgeting.

---

To get started, contact any of our STEP Partners. Each partner specializes in different supports and is able to provide various services. Please see the reverse side for more information.

*If you are currently receiving TANF, contact your Family Coach about services.  
Once your TANF closes you could be eligible for these  
STEP services.*
