

The Lane Community College C-CERT program educates the campus community (faculty, staff, and students) about disaster preparedness and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. This training allows the C-CERT members the ability to assist in giving critical support to others in the event of a campus disaster. For more information visit:

www.lanecc.edu/epal/ccert

- Get involved with the community
- Play an important role in campus safety and preparedness
- Receive free training from certified instructors
- Training gear provided

For meeting times and further information contact the Department of Public Safety at: (541) 463-5558

Emergency Preparedness at Lane

Preparing for an emergency now is the key to increasing your odds of survival in the event of a disaster. Lane is invested in assuring the safety of our students, faculty, and staff. The college's Emergency Preparedness Team (EPT) invites you to visit the EPAL webpage at:

www.lanecc.edu/epal

- Learn about different fire extinguishers and which ones to use for the many different kinds of fires that can occur.
- Watch multiple videos on how to react in an active shooter event.
- Obtain other useful tips for dealing with threatening individuals.
- Watch the "See Something, Say Something" video as a reminder to report suspicious behavior.
- Click on the "Emergency Supply Kit" link under "Natural Disasters" on the EPAL homepage and know what to include in a supply kit.
